Subject: SN 10/821,415

In your call to me today you stated that the application 10/821,415 had been indicated of the transmittal sheet as having been filed with a Non-Publication Request-but the application papers that you received did not have a copy of such a request in it. My copy of the filing papers indicate that this application appears to have been filed without the request. For purposes of publication and prosecution, please consider SN 10/821,415 as having been filed without a Non-Publication Request. Maxwell will not be filing an documents to try to prove that such a Non-Publication was timely filed.

Thank You
